To Whom It May Concern:

I am pleased to provide the following letter of recommendation for Marc Masotti of Masotti Construction Inc.

My wife and I took on the project of the construction of our home. Through our past experiences and projects with Marc (in my business and personal) and the recommendations from trusted friends and business colleges, we quickly decided to retain Marc as the Project Manager of this new construction. During the course of the construction, Marc demonstrated many outstanding qualities including: professional and aggressive construction approaches, sensitivity to owner's requirements, ability to manage required changes during the course of work, excellent communication with consultant's and owner's representatives, and timely attention to deficiency correction.

Marc genuinely shared our commitment to the project and helped foster that same commitment with subcontractors. Working in conjunction with Marc, we were able to quickly establish a high level of trust between Contractor/Owner/Consultant which is critical when construction is moving quickly. We were greatly satisfied with the result and the project was completed on time, within the construction budget, all while maintaining a high quality of workmanship.

I was personally impressed with the efforts and abilities of Marc and the personnel he chose to work on our project. From the start of the project, Marc brought an energy, attention to detail and a genuine concern for the well-being of the project. When issues arose, Marc offered practical solutions and where changes and costs were involved Marc was clear and detailed in presenting and providing fair negotiations. In many cases, he was able to provide better than our budget allowed while coming under budget on others. Working with Marc, I felt that we were always working together for the project's best result.

I recommend and would not hesitate to work with Marc on any future project. If you would like to speak directly about our experience with Marc on our project, please do not hesitate to contact me. My cell number is 519-791-8789, my address is 4186 Roseland Dr W and I would be more than happy to show you one of Windsor's finest homes in its class.

Regards,

  
Joe Di Carlo

Director
