To Whom It May Concern,

I am pleased to provide this letter of recommendation for Marc Masotti, Masotti Construction Inc..

In the spring of 2019, we retained Marc Masotti and his team at Masotti Construction Inc. to complete our interior offices and bathroom renovations at our corporate head office for Essex Powerlines Corporation. Work consisted of interior demolition of existing offices and bathrooms, new construction including partitions, drywall, plumbing and HVAC rework along with all required electrical, IT, acoustic ceiling, flooring, painting and extensive millwork finishes. The project was also time sensitive as we were occupying the facility during construction. Marc and his team not only provided excellent service and quality construction, but also brought the project to completion ahead of our required schedule.

We would highly recommend Marc Masotti and Masotti Construction to anyone considering a renovation and we will certainly consider using him again for any of our future projects.

Should you require any further details with respect to the above please feel free to contact the undersigned at (519) 990-2794.

Regards,
