To Whom it May Concern,

I have worked with Marc Masotti & Masotti Construction for over 15 year in both the commercial and residential sectors. I recently completed Marc's personal residence and a new 12 unit boutique apartment complex for Marc's holding company.

I have recommended and worked with Marc as project manager on many residential and commercial renovation and new builds. His quality, attention to detail and thoroughness are second to none.

I will continue to recommend Marc and Masotti Construction to my clients and friends.

Kindest Regards,
