To Whom It May Concern

On behalf Council and Administration for the Town of Tecumseh, I am happy to provide this letter of reference on behalf of Masotti Construction.

Over the years the team from Masotti, led by Marc Masotti, has worked on smaller projects in the Town of Tecumseh however, most recently they completed work on St. Anne Arms, a two building project located on Lesperance Road in the Town.

Mr. Masotti reached out to me to offer a tour of the buildings during their ongoing construction and I was very impressed with both the design (inside and out) and the quality of work demonstrated by Masotti Construction and their sub-contractors. These beautiful buildings now house some very happy tenants!

The addition of St. Anne Arms has supplemented the variety of housing available in the Town and we look forward to working with Marc Masotti to develop and construct more projects to enhance and offer additional variety to our residents – and those looking for opportunities to live in Tecumseh.

We look forward to continuing our affiliation with Masotti Construction and to a lasting and positive partnership in future. We hope you look favourably upon their application.

Sincerely,

Gary McNamara
Mayor
